

NYC CLC-NYCOSH 2010 SAFETY & HEALTH SERIES

Workplace Violence: What can be done to prevent it?

Workplace violence accounts for approximately 10% of all job-related fatalities in this country. But there are steps to prevent it. This forum will show how to make a workplace less prone to violence. It will examine the real, not assumed, causes of workplace violence; strategies for protecting workers; and guidelines for how to be proactive on this issue, including how to use existing laws on workplace violence.

Tuesday, November 16, 2010

9:00 a.m. – 12:00 noon
