

Public Health and Preventive Medicine Grand Rounds

“Legionnaires' Disease -- New York City, 2015”

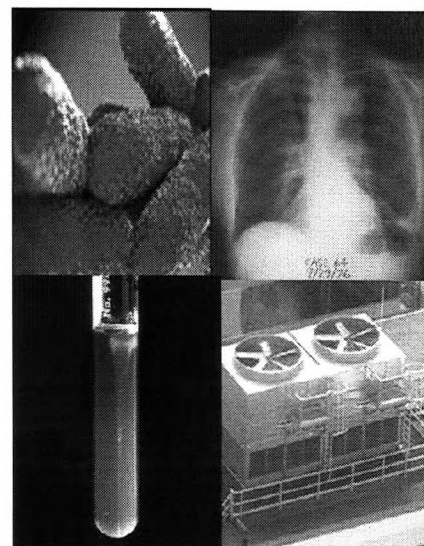

Isaac Benowitz, MD
 NYC Department of Health and
 Mental Hygiene

Monday, October 19, 2015

Time: 4:00 - 5:30 PM

Place: MSB - B 610

Rutgers New Jersey Medical School
 185 South Orange Avenue, Newark, NJ

At the conclusion of this presentation, participants will be able to:

1. Describe the clinical presentation and therapy of Legionnaires' disease
2. List potential sources of human exposure to Legionella bacteria
3. Evaluate the public health response to a community cluster of Legionnaires' disease
4. Discuss New York City's approach to reducing the burden of Legionnaires' disease.
