

# VIGIL

For Schools and Jobs

*LIGHT UP THE NIGHT!*

**8:00 p.m. Monday, May 9 • West Capitol Park, Albany**

*ILLUMINATE THE DEBATE!*

**We don't have to close schools, cut programs and slash higher education. There's a better way!**

Come to this vigil to shine a light on the union's fight to convince lawmakers to supplement the budget approved earlier this month. The best way to do that is to continue the income tax surcharge on the wealthiest New Yorkers and share the sacrifice.

**Glow sticks will be available. Or download a lighter on your cell phone. (No candles please.)**
