

Keep New York a state of

mind

- Over the last five years, SUNY and CUNY have been cut by nearly \$2 *billion* — driving up tuition and endangering quality affordable higher education for all New Yorkers.
- Our public colleges and universities are under intense pressure to eliminate programs and courses, erode quality and slash opportunities for students in need.
- Public higher education's mission of teaching, research and health care is key to a bright future for all New Yorkers. New York State must invest now — in faculty, staff and student support — to keep our public colleges and universities great.

Take action! Defend quality.
