From the President's Desk by Veronica Cavan

Summer is upon us! And so are the ads for candidates for state and federal offices. So tempting to ignore, but at what cost? So many issues are on the table – health care, Social Security, immigration and much, much more. I used to send donations to local candidates for the most part, but now I find myself considering what national candidates I think can make a difference, and sending money their way. And I have become more of a letter writer to my representatives. Talking recently with a state legislator from a neighboring town, I told him I send him letters even though we agree on most issues and he assured me that they keep track of the letters and the opinions expressed. So I will keep writing.

I encourage you to look for candidates that represent your viewpoint and support them as best you can. And above all VOTE!

Wishing you a great summer,
Veronica Cavan, President RC3

A Message from Our Coalition President, Lynn Mele

Dear Retirees,

June Primaries are over and now we know who will be on the November ballot in our districts. The Midterm elections may very well change the makeup of Congress and state governments. All 435 seats in House, 33 in the Senate, plus 36 Gubernatorial positions are up for election.

If supporting a particular candidate with signs or working a phone bank is not your cup of tea, consider this opportunity...*Election Inspector*. Every county needs a few more Election Inspectors. Plus, you get paid! Call your County Board of Elections, get trained and you will play an important role in the November elections.

Yours in solidarity,
Lynn Mele

CONGRATULATIONS TO SARA RODLAND – 2026 SANDY FELDMAN OUTSTANDING LEADERSHIP AWARD

Sara Rodland, a Buffalo educator and union leader since 1971 was recently honored with the 2026 *Sandy Feldman Outstanding Leadership Award* for her decades of service and advocacy in Buffalo's education community. Over the years, she served in various BTF roles, including building delegate chairperson, Political Action Committee member, and co-chair of the public relations committee. She was eventually elected secretary of the BTF.

She also held leadership positions at the state and national levels, serving as: **NEA NY Board member and delegate, NYSUT Board member and NEA, AFT, and NYSTRS delegate.** Mentorship was central to Rodland's approach. She mentored all new elementary teachers in her district and was active in the policy board for the Buffalo Teacher Resource Center, later becoming its co-director. She also volunteered as the school liaison for **The Teacher's Desk**, a nonprofit that annually distributes over \$8.5 million in classroom supplies to students in need. Rodland retired from teaching in 2010 but quickly became involved in Retiree Council 44, helping build it into a vital part of NYSUT's daytime workforce. She was elected president of RC 44 in 2017 and continues to serve in that role.

The Sandy Feldman Outstanding Leadership Award recognizes individuals who have demonstrated exceptional leadership, dedication, and impact in advancing education and union representation. Rodland's career reflects a lifelong commitment to fighting for what is right, mentoring others, and strengthening the Buffalo education community.

2026 NYSUT Retiree Council Leadership Conference Gideon Putnum Hotel, Saratoga Springs June 2-3, 2026

This most recent conference brought together members from Retiree Councils (RC's), Retiree Service Consultants (RSC'S) and Election District (ED) Directors who serve on NYSUT's Board of Directors. Through focused discussions and workshops, participants were exposed to ways to strengthen their organizing efforts and support the future of their RC. It was a way for participants to make valuable connections with other RC leaders across the state and bring back ideas to implement in their RC. The conference program also included opportunities for personal growth and development, exercise and time to explore the area. The evening of June 2 there was a joint celebration with the American Labor Studies Center to honor AFT President, Randi Weingarten, with the Kate Mullany medal and hear from NYSUT President, Melinda Person. The conference ended with lunch the next day after more valuable workshops on best practices were offered.

If you have not already sent in your Participation Fee Form, we urge you to support our Retiree Councils by sending in your \$10 participation fee and by encouraging others to support the work we do for all of us. Thank you.
