The NEA Retired Annual Meeting was held on July 29 and 30. Three hundred six delegates were in attendance, including Sara Rodland, the NYSUT Retired Delegate and Florence McCue, NYSUT At-Large Retiree Board Member. Mary Kusler, NEA Senior Director of Advocacy, shared the news of the passage of the Social Security Fairness Act which was signed into law on January 5, 2025. This law impacted many retirees and increased their Social Security benefits. NEA retirees have fought many years for this victory. Becky Pringle, president of NEA, addressed the retirees. ***You have not retired from your advocacy. I need you to LEAD. You are the NEA.***

The 2025 NEA-RA was held from July 3-6. Seven thousand educators met to discuss, to debate and to set the course of the organization for the upcoming year. The theme of this year's RA was Resilience, Power and Respect.

Becky Pringle gave a powerful and inspiring speech. Given the present state of public education today, delegates were encouraged to take action. We must **EDUCATE, COMMUNICATE, ORGANIZE, MOBILIZE, LITIGATE, LEGISLATE, and ELECT. We must fight back and fight forward.**

- For the first time, *A Day of Teaching, Learning and Organizing* was held on the fourth day of the RA. Delegates attended workshops on a variety of topics.
- Josh Cowan, a professor of education at Michigan State University, an NEA member and a researcher, was the recipient of NEA's 2025 Friend of Education Award. He was recognized for his criticism of the school voucher movement.
- Bob Chanin, chief legal counsel for NEA for four decades, was remembered. Known as "the teacher's lawyer", Bob spearheaded collective bargaining laws for educators and was a champion for civil rights and racial and social justice. BTF retired members will remember Bob for his advocacy on our behalf, especially in regard to the back pay case. Bob passed away in May, 2025.

LET MEMBER BENEFITS HELP YOU PLAN FOR RETIREMENT

If you recently retired or plan to do so in the near future, it's important to prepare for the transition from in-service work to retirement.

Maintaining NYSUT membership in retirement is crucial, especially if you're currently participating in a NYSUT Member Benefits-endorsed program(s) and would like to continue doing so. This can be accomplished in one of two ways:

- 1** Continue membership within your local if retiree membership is offered. Contact your local to find out if any retiree membership requirements are in place. You must comply with these requirements to continue your membership in NYSUT along with the American Federation of Teachers (AFT) and National Education Association (NEA).
- 2** Continue as an at-large member of NYSUT through the Retiree Council in your region. Contact your local to ensure you will be reported as retired to NYSUT. This will provide you with membership in the Retiree Council in your region along with NYSUT, AFT, and NEA. If you have questions about maintaining NYSUT membership or would like more information about NYSUT retiree programs, you will want to contact the NYSUT Retiree Services Consultant serving your region. You can find this information at nysut.cc/retireeconsultants.

More than a dozen of the endorsed programs offered by Member Benefits can be purchased through either payroll or pension deduction. These convenient payment methods offer reduced premiums or the elimination of service fees in many instances. An active NYSUT membership is required to participate in payroll or pension deduction. If you're currently participating in one (or more) of our endorsed programs, we encourage you to look into switching to pension deduction after you enter retirement.

Learn more about continuing Member Benefits-endorsed programs or the pension deduction process by scanning the QR code, visiting memberbenefits.nysut.org, or calling 800-626-8101.
