

SRP Recognition Day

SRP Recognition Day is a great way to acknowledge the contributions School-Related Professionals make in helping to educate the whole student.

Up for some friendly competition?

Did your local, school or parent organization plan a spectacular event?
Did you display posters and fliers to announce this special celebration?

We want to hear from you!

All locals who email photos and info about
their celebration will be entered to win:

Two 1st place winners — receive a two-for-one for the Oct. 23-25, 2020 SRP Leadership Conference at the Hilton Hotel in Saratoga Springs (an approximate \$250 value) and have their event featured in a NYSUT publication.

Tell us about it:

(Send SRP Recognition Day event photos, quotes, activities, etc.,)
to Leslie Fottrell at lfottrel@nysutmail.org
by Dec. 10 to be eligible!

SRP Recognition Day – Nov. 19, 2019

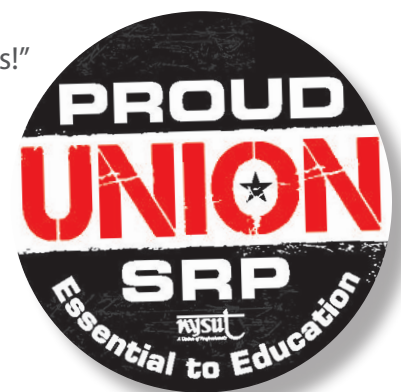

This is a special day to recognize and honor
the hard-working professionals who are the hidden heroes in a child's education.

NYSUT provides this kit of materials to help make SRP Recognition Day a special one. Enjoy using the enclosed stickers in many ways.
Ask members to wear them on Nov. 19 or use them to decorate goodie bags that you present to SRPs.

**The artwork for the sticker can be found on the SRP page of www.nysut.org/srp
Be creative! Use the artwork to put on little gifts you can order for your members.**

SRP Locals appreciate the effort and have reported the following highlights from previous years:

- "Our president sent a letter to the editor of our local newspaper to let our community know about the work our members do and how we play an integral role in a child's school day."
- "We provide cider, donuts, coffee and other goodies for breakfast for our SRPs!"
- "Our school had students write thank you notes and letters to our SRPs for all the work they do."
- "At our school, our teachers trade lunch time duties with aides and monitors for the day."
- "Our teachers had the students interview each of the SRPs in our school, write up their story, and then post them in the hall with a photo of each."
- "We wanted to spend our celebration day by giving back to the community. SRPs sponsored a food drive for our local pantry and our members all took part to help others."
- Many districts, teachers and/or PTAs sponsor luncheons for the SRPs.

**Be sure to let your school administrators, teachers, superintendent, community and PTA/PTO
know that Nov. 19, 2019 is SRP Recognition Day! Encourage them to be involved!**
