Dear NYSUT Health Care Professional,

Health Care Professionals Council is -- an advocacy group for more than 15,000 workers in the health care field -- and provides an opportunity to strengthen your professional skills, enhance your practice and network with other health care professionals who perform similar work. The Professional Issues Forum on Health Care is a major event sponsored by NYSUT’s Health Care Professionals Council.

This conference is designed for nurses, psychologists, school counselors and guidance counselors, clinical instructors, pharmacists and therapists who work in public and private sector schools, hospitals, universities, visiting nurse associations and residential and day treatment facilities. We encourage local presidents to support member participation in this important conference. By attending this conference you will:

- Gain the knowledge you need by attending workshops focused on strategies you can immediately implement and share with your colleagues.
- Earn up to 4.5 total contact hours. NYSUT has submitted the content of this year’s conference to UFT Federation of Nurses/UFT for contact hour credit.

Federation of Nurses/UFT is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation.

- Reconnect with friends and colleagues; make valuable new contacts at the professional networking groups.
- Learn about the resources and services available to NYSUT health care professionals.

Advance your practice and get involved in your union! Additional information on the conference is below. Please join us and register today.

In solidarity,

Paul Pecorale
NYSUT Vice President
Conference Information

Conference Registration Fee
NYSUT pays 50% of the conference-related costs. This allows more members to attend by reducing the participant rate. The price covers conference and workshop materials, Friday night lodging (where applicable) and breakfast and lunch on Saturday. After NYSUT’s contribution, registration fees for individual participants are:
