

# Don't leave our kids out in the **COLD**

Just when we thought spring is here, the governor and the Senate want to put a deep freeze on our future.

They are pushing a Bad News Budget that would force schools to make more cuts, increase class size and lay off teachers and staff — all to pay for a so-called “tax freeze” that favors the wealthiest New Yorkers and hurts the rest of us.

This Bad News Budget shortchanges schools, SUNY, CUNY and community colleges while giving big breaks to private schools and corporate charters.

**Don't leave our kids out in the **COLD**.**  
**Support great public schools for *every* child.**
