SRP Recognition Day – Nov. 17, 2020

CELEBRATION

IDEAS

This is a special day to recognize and honor the hard-working professionals who are the hidden heroes in a student's education. NYSUT provides this kit of materials to help make SRP Recognition Day a special one. Encourage your members to display the enclosed car magnets proudly.

The artwork for the magnet can be found on the SRP page of www.nysut.org/srp. Be creative! Use the artwork to put on little gifts you can order for your members.

SRP Locals appreciate the effort and have reported the following highlights from previous years:

- “Our president sent a letter to the editor of our local newspaper to let our community know about the work our members do and how we play an integral role in a child's school day.”
- “We provide cider, donuts, coffee and other goodies for breakfast for our SRPs!”
- “Our school had students write thank you notes and letters to our SRPs for all the work they do.”
- “At our school, our teachers trade lunch time duties with aides and monitors for the day.”
- “Our teachers had the students interview each of the SRPs in our school, write up their story, and then post them in the hall with a photo of each.”
- “We wanted to spend our celebration day by giving back to the community. SRPs sponsored a food drive for our local pantry and our members all took part to help others.”
- Many districts, teachers and/or PTAs sponsor luncheons for the SRPs.
- Some districts and locals create entertaining videos or slideshows to thank SRPs.

Be sure to let your school administrators, teachers, superintendent, community and PTA/PTO know that Nov. 17, 2020 is SRP Recognition Day! Encourage them to be involved!
