Overview

Effective October 21, 2005, NYSUT established the NYSUT Disaster Relief and Scholarship Fund. One of the charitable purposes of the Fund is to promote and enhance the welfare of NYSUT members and of the general public in the State of New York and throughout the remainder of the United States who are in need of assistance, because of the occurrence of a natural or manmade disaster.

Types of Disasters Covered by the NYSUT Disaster Relief and Scholarship Fund

The NYSUT Disaster Relief and Scholarship Fund provides relief support for eligible losses stemming from: (a) manmade occurrences (such as an accidental house fire); (b) natural disasters not designated as federally declared qualified disasters; and (c) federally declared qualified disasters.

Federally Declared Qualified Disasters

If your loss occurred in a federally declared qualified disaster area, the following information is provided to you in your effort to receive broader reimbursement for your losses, in addition to any disaster relief payments which you may receive under the NYSUT Disaster Relief and Scholarship Fund.

A “qualified disaster” is a disaster that occurs in an area declared by the President of the United States to be eligible for federal assistance under the Robert T. Stafford Disaster Relief and Emergency Assistance Act (the “Act”). If your area has been declared a disaster area under the Act, other assistance may be available. If you need to contact the Federal Emergency Management Agency (“FEMA”) for general information, you can call (202) 646-4600 or visit the FEMA web site at: <http://www.fema.gov>.

A list of areas warranting assistance under the Act is also available by calling FEMA at (800) 621-3362 or (800) 462-7585 (if you are a TTY/TDD user) and at the FEMA web site at: <http://www.fema.gov/news/disasters.fema> and the Internal Revenue Service web site at: <http://www.irs.gov/newsroom>.

Ineligible Disaster Relief Payments

Disaster relief payments from the NYSUT Disaster Relief and Scholarship Fund may not include:

1. Payments for expenses otherwise paid for by insurance or other reimbursements.
2. Income replacement payments, such as payments of lost wages, lost business income, or unemployment compensation.
3. Payments for the cost of nonessential, luxury, or decorative items; such as landscaping (ex. Pools, sheds, fences) and *damage to second or vacation homes*.
4. Any other payments for which the Trustees determine (in their sole discretion) cannot be made from the NYSUT Disaster Relief and Scholarship Fund.

Taxation

Under federal law, cash payments like those in which disaster victims receive from the NYSUT Disaster Relief and Scholarship Fund, *generally* are not included in your income for federal tax purposes. Moreover, such payments are not subject to employment taxes (Social Security, Medicare, and federal unemployment taxes). Accordingly, the NYSUT Disaster Relief and Scholarship Fund will not withhold any federal taxes from these payments. ***Nonetheless, because each individual's tax situation is unique, you are strongly encouraged to consult a tax professional to determine what impact such payments may have on your personal income tax situation. You may also obtain more information from IRS Publication 547 "Casualties, Disasters, and Thefts" available at <http://www.irs.gov/pub/irs-pdf/p547.pdf>.***
